Cost: \$675.00

This three (3) day course provides the attending officer with the information necessary to safely and efficiently plan, prepare, and lead live-fire training in a suitable live fire shoot-house. All attending officers will receive instruction in instructor and student preparation prior to live fire training, safety inspections and briefings, instructor and student positioning, target placement, entry methods, and after action reviews. All officers attending the course will serve as a student instructor and will be responsible for training other classmates in the course. This course is a train the trainer course and is designed to arm the attending officers with the skills needed to conduct live fire shoot-house training for their departments.

Course Objectives: Shoot-house Instructor Responsibilities, Shoot-house Inspection and preparation, Tactical Considerations in the Shoot-house, Training Development/Evaluation Prior to Entering the Shoot-house, Target Placement, Furniture and Obstacle Placement, Instructor and Student Positioning While Training, Manual - Mechanical - Ballistic Breaching Considerations, Use of Distraction Devices, Safety When Conducting Explosive Breaching, Tactics Discussion, Using Multiple Breach Points, and Target Discrimination Training.

*Rob Trivino is retired from the US Army after 21 years of active service; he spent the majority of his time in service assigned as an operational member of a United States Army Special Missions Unit under the United States Army Special Operations Command. Rob has extensive peacetime and wartime leadership and tactical experience, leading small teams and larger maneuver elements in combat. He has deployed on multiple combat missions to the Balkans, Afghanistan, and Iraq and has served as a Sniper Team Leader, Operations Sergeant Major, and both Assault and Sniper Element Sergeants Major. Rob's awards and decorations include the Silver Star, the Legion of Merit, and 5 Bronze Stars (2 for Valor). Rob created Evergreen Mountain, LLC, offering specialized training in various aspects of conflict and leadership. In 2015 Rob published, *A Warrior's Path - Lessons In Leadership*, a book about leadership lessons learned throughout his life and career.*
